

Certificate BE01/1019.00

ArcelorMittal Belgium

The management system of

John F. Kennedylaan 51
9042 Gent, Belgium

has been assessed and certified as meeting the requirements of

ISO 14001:2015

For the following activities

The whole of processes, activities, services and products which are expanded, from the development of new products and technologies, via the receipt and handling of the basic raw materials, until the shipment of the semi-finished and finished steel products (slabs, hot rolled, cold rolled, galvanised and organically coated coils and sheets) and by-products.

This certificate is valid from 06/01/2020 until 05/01/2023 and remains valid subject to satisfactory surveillance audits.

Issue 9. Certified since 22/11/2001.

Recertification audit due before 05/12/2022.

This is a multi-site certification.

Additional site details are listed on the subsequent page.
